DETAILED ACTION

Reason for allowance

1. The following is an examiner's statement of reasons for allowance:

Regarding claims 1-16, the prior arts fail to teach or fairly suggest a route optimization method for a communication system that allows communication between a mobile terminal and a correspondent terminal, the method comprises a step causing a foreign agent or home agent of a network domain to which correspondent terminal currently belongs to receive a Binding Update Message from a home agent for the mobile terminal, in combination with other limitations, as specified in the independent claim 1.

Regarding claim 17, the prior arts fail to teach or fairly suggest an agent apparatus for a communication system in which a mobile terminal communicates with a correspondent terminal, operated as a foreign agent or a home agent for a network domain to which the correspondent terminal belongs, the apparatus comprises a receiver for receiving a Binding Update Message from a home agent for the mobile terminal, in combination with other limitations, as specified in the independent claim 17.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
